

10.000 Dreams

Text und Musik: Danny Plett

1. I have a dream a longing strong for every child, man and
 2. I have a dream to see a world where the weak are pro-

woman that in their hearts like the stars above
 tected. Where children fear no wicked hand

faith, hope and love. I have
 seen in every land. I have

wish for every hurt
 soul to open wide. It's just a

dream a heart there's thousands

dreams for an endless night. Ten thousand

y points of light. A prayer shining

like the sun. And on it's beams ride ten thousand dreams
