

One Black Cloud

Words and Music: Danny Plett

1. Black bird perched up - on a white hand. Cas - tle r
 2. Leaf - less tree out on the bare plain. Lost child

ins by the white sand. Wind torn flag high up - on
 ing in the mad rain. One black cloud chas - ing cro

bro - ken heart you bear. jag -
 bro - ken heart you bear. dark

ged through the stone bridge? See th that high ridge?
 up - on the sun's face? Se need of God's grace?

Red stain pul - sing bro - ken heart you bear.
 Red stain pul - the bro - ken heart you bear.

You can't ar soul, you can't stop the heart - ache, it's

ct love, you can't move. O I know, I know how it feels,
 Chorus

it feels! You've got to let him touch you. You've got to let him

res - cue you. You've got to let him make you whole. You've got to let him

free your soul. You've got to let him touch you. You've got to let him
